

Insights 2017 FAQ's

What is the schedule for Insights 2017?

Our conference dates are Monday, April 24, 2017 - Wednesday, April 26, 2017. Our agenda will start first thing Monday morning, with a full agenda of sessions on Monday and Tuesday, and optional Intensive Sessions with limited availability on Wednesday. The detailed agenda is coming soon.

I'm planning my travel. When should I arrive and when should I depart?

The agenda will start first thing Monday morning, so please arrive Sunday evening or very early Monday morning. Our big Event Party with dinner and entertainment will take place Tuesday evening and we have optional Intensive Sessions on Wednesday, so plan to stay through Wednesday (Fly out Wednesday afternoon if you are attending the Wednesday Intensives, Wednesday morning if you are *not* attending the Intensives).

What are the intensives sessions about on Wednesday the 26th of April, 2017?

We want to provide an opportunity for anyone interested to have in-depth training on the Innography platform to have extra time with our experts while they are here. There may even be a special session with Tyron...more to come soon when we post the detailed agenda!

Will CLEs be provided in 2017?

CLE credits will be available for select sessions at Insights 2017. More details to come.

I have something that I'd like to speak about, and present, at the conference, how can I do that?

We have opened our [Call for Speakers](#) and welcome our talented and passionate customers to actively contribute to the event. Every speaker selected will receive a free pass to the event. The submission deadline is November 30, 2016 and selected speakers will be notified by mid-December.

Are there any Guest Activities scheduled?

Yes! All attendees are invited to three guest activities:

- **Sunday Happy Hour:** We will host a casual Happy Hour on Sunday evening for all early arrivals. If you arrive in Austin on Sunday, please join us!
- **Monday Welcome Reception:** The Insights Welcome Reception will take place on Monday night at the JW Marriott. Come and mingle with your peers and the team, and join us for some munchies and beverages.
- **Tuesday Night Event Party:** We are hosting our big Event Party with dinner and entertainment, on the evening of Tuesday, April the 25th. Current thinking is to take all of you back to the Jazz Age and host a supper club. Have a different idea? Email us at insights@innography.com

Will 1:1 training or technical help be available onsite?

Our onsite Client Success Zone in Room 305 is your home base for expert help with training, demos, meetings with your Innography team or any questions related to your account. Bring your questions and we'll provide answers.

Will any of the sessions be recorded and made available?

Select sessions will be recorded and available on Zipline after the conference. To check availability please visit the Client Success Zone.
